

Exercises: Natural Minor Scale

Exercise 1 Write the formula

Write the natural minor formula using W and H: ____ - ____ - ____ - ____ - ____ - ____ - ____

Exercise 2 Build A minor

Write the notes of A natural minor:

A ____ - ____ - ____ - ____ - ____ - ____ - ____

Exercise 3 Relative check

A natural minor uses the same notes as which major scale? _____

Exercise 4 Build E minor

Write the notes of E natural minor:

E ____ - ____ - ____ - ____ - ____ - ____ - ____

Exercise 5 Compare

Play C major, then A minor. Notice they use the same notes but feel different. Which note feels like "home" in each?

Practice tip

Always play the relative major and minor back-to-back so you feel the shared notes.
