

Exercises: Relative Major & Minor

Exercise 1 Find the relative minor

Relative minor of C major: ____

Relative minor of G major: ____

Relative minor of F major: ____

Exercise 2 Find the relative major

Relative major of A minor: ____

Relative major of E minor: ____

Exercise 3 Shared notes

Do C major and A minor share the same notes? Yes / No

Do C major and C minor share the same notes? Yes / No

Exercise 4 Quick method

To find the relative minor, go down ____ semitones from the major tonic.

Exercise 5 Play both

Play a C major scale, then an A minor scale. Notice the shared notes and the different home.

Practice tip

Always name both keys together: "C major / A minor" — it builds the relationship in your mind.
